

## 2023 Retirees League Rules

1. Players 75+ may use the forward (red) tees. Once chosen, use same tee all season.
2. Players less than 75 will use the white tees
3. The maximum number of strokes on any hole is triple bogey. If you reach this number pick your ball up. This will help speed up play.
4. Winter rules will be used everywhere except in hazards
5. Sand traps are in play, no free drop or lie improvement
6. Rainouts called by the course or league manager are not re-scheduled. Go to the next regularly scheduled match on the league schedule. If you decide not to play and the matches have not been officially cancelled you will be considered a forfeit.
7. It is each golfer's responsibility to get a sub for the match. There is a list of subs posted on the team roster.
8. **PLAY READY GOLF**

Revised 3/23/23, 4/25/23
